

**Responses to Solicitation Questions**  
**Mesoscale Atmospheric Instrument Support Services (MAISS)**  
**RFP NNG14481818R**  
**Set No.: 1**

**December 6, 2013**

1. Regarding Past Performance Questionnaires identified on numbered page 78 of the Solicitation: Will a standard Past Performance Questionnaire Form be provided for bidders to complete and submit to customer(s)?

**RESPONSE:** Past Performance Questionnaires are not required for this RFP therefore a Past Performance Questionnaire will not be provided for bidders to complete. The RFP will be amended to remove the "List of those send Past Performance Questionnaires" from page 78.

2. Regarding Past Performance Questionnaires: Please clarify if the Government will solicit Past Performance information from the references provided, or if Bidders are required to request completion from their customer(s).

**RESPONSE:** Past Performance Questionnaires are not required for this RFP.

3. Regarding Past Performance Questionnaires: In the event the contractor is required to solicit Past Performance responses from the prime contractor / customer(s), should the evaluating party return these forms to the Bidder for inclusion in the proposal, or directly to the designated Contract Specialist?

**RESPONSE:** Past Performance Questionnaires are not required for this RFP.

4. The subject solicitation declares a "Maximum Ordering Value" of \$4,800,000. Is that the contract ceiling amount over 5 years? Or is that the maximum value for each Task Order?

**RESPONSE:** In accordance with clause B.4 GSFC 52.216-90 MINIMUM/MAXIMUM AMOUNT OF SUPPLIES OR SERVICES (COST REIMBURSEMENT) (APR 2008), the maximum ordering value of \$4,800,000 (inclusive of fee) is the maximum contract ceiling amount for the 5 year period of performance.
